* Note: You must reside in one of the following ZIP codes in Centre County to enroll in one of these plans: 16677, 16829, 16845, 16859, 16866, 16874

Here’s how to calculate your monthly premium.

By this point, you know the Highmark plan you want. The grids in the following section will help you know what your total monthly premium should add up to.

Who to include in your calculation:

- Yourself
- Your spouse or partner who will be covered
- All children between ages 21 and 26 who will be covered
- The three oldest children under age 21 who will be covered
- Any additional family members who will be covered

If you’re going to have more than three children under 21 on your plan, only include premiums for the oldest three below. Your policy will cover any younger children; just be sure to list all of them as dependents when you enroll.

Fill in the chart below to calculate your total monthly premium.

Highmark Plan Name: _____

	Name	Age	Tobacco user? (yes or no)	Premium amount (from chart)
You				
Your spouse or partner				
Children between ages 21 and 26				
Children under 21				
Additional family members				
				Total =
